ORACLE POLICY AUTOMATION (OPA) DEVELOPMENT & INTEGRATION SERVICES

INTENT TO SOLE SOURCE

The SC Department of Employment & Workforce (DEW) intends to contract with Monad Solutions Inc. as a sole source to provide OPA development & integration services in support of an existing large scale complex three state consortium application development project.

The project is moving into the detailed design & development phase with the first state to be deployed in production March 2016 with the other two states following in two (2) month intervals.

The OPA development & integration work includes policy & business rules modeling using OPM during sprints for either specifications or deployment (using OPA), embedded technical integration of OPA deliverables & modeling, optimizing requirements gathering for OPA fact finding style questions, supporting necessary upgrades & refactoring of OPA components in existing baseline solution & creating a policy automation use case.

In order to meet the strict project timeline the OPA work must begin February 2015 & be completed no later than March 2016.

Please notify Daniel W. Covey at dcovey@dew.sc.gov prior to the date/time noted below if you have any questions or believe that you can meet these requirements.
